hood, as made and provided to the tery. Let congress pass an enabling act providing for the holding of a non-partisan constitutional convention and there will be no trouble." [Sws. Carrent Expense Capital Contingent Pand in

This is the funded debt only of spirits. They report that stock has never been in finer condition at this season of the year. In no part of the range country are dition, especially here in Grant county. Their credit is good with all our merchants, and of late there has been quite a lively inquiry for steer cattie of all ages, and as all stock in this section is well bred up and far superior to the average of New Mexico cattle, we predict that they will receive \$\frac{1}{2}\$ the funded debt only of the Territory. The floating debt, represented in warrants, is probably \$200.000 more. A pretty respectable debt for the amount of taxable property. The proportion of tax praying for many well-to-do citizens. The assessors must do their duty without showing favoritism or revenge, and all should be equally assessed. The collectors should reduce the big delinquent liats that are growing larger each year, and this in the face of a steady increase of taxable property. The proportion of tax praying for many well-to-do citizens. The assessors must do their duty without showing favoritism or revenge, and all should be equally assessed. The collectors should reduce the big delinquent liats that are growing larger each year, and this in the face of a steady increase of taxable property. The property of the mount of tax praying for many well-to-do citizens. The collectors should reduce the big delinquent liats that are growing larger each year, and the face of a steady increase of taxable property. The property is the property of the The cattlemen of Southwestern

awning post in Newburgh, N. Y., and alighting, tied his horse to the post. A few minutes later the horse tenched his nose to the iron hundred thousand dollars to be log. Thomas Dawson ran to help the horse, but no sooner did he place his hands on the minimal than he (Dawson) fell dead. Thomas Baltz, who saw Dawson fall, has post and fell into the gutter like a paid this year, and every year for Saltz, who saw Dawson fall, has tened to his assistance and took hold of him to lift him, but rebold of him to lift him, but received a terrible shock, and he
too dropped to the ground as if
dead. He subsequently recov.
ered, as did the horse. An arc
electric light wire had sagged and
lay upon the iron rod extending
from the awning post to the build.

It will be useless to hope for
immigration to help s out, under
the full force of the stee.
